

Display Your Chair Kit

Product kits are the best marketing tools
for your fundraiser

Here Are Some Ideas to Get You Started

Where to set up your kit:

- Front offices
- Back-to-school events
- Parent-teacher night
- Seasonal kickoff event for your favorite group or team

When to set up your kit:

A few days before your fundraiser begins.
It will help get your community excited
about the product.

How to set up your kit:

- Lay it out with the smallest products in the front
- Think about what your audience would like best
- (You can always wear your product in public, too!)

PRO TIP

Include a small
stack of catalogs or
display your poster
with your kit to help
boost sales!
